Dear Colleague

Re: Registration of Players and Teams for 2010/2011 Season

Thank you to everyone who attended the AGM on 17th May. It was very pleasing to see good support for the League from members and representation from all the teams involved last season.

A new team and player registration form is attached for 2010/2011 season. Please complete this and return to Charles Goddard by Monday 26th July 2010. I would be grateful if you could return your registration forms promptly, remember you can always add players later. If you are not entering a team this year it is also helpful if you could let us know either by returning the form or contacting Charles or me. Please remember to enclose all fees with the registration forms.

As many of you are aware, at the AGM the League Members voted in favour of affiliation to both the English and Suffolk Table Tennis Associations (ETTA & STTA). This change in status for the Lowestoft and District League requires individual membership applications to be completed by each player. I have therefore included five copies of the ETTA application form which is also available on line at www.englishtabletennis.org.uk.

Suffolk Association fees are payable per team and should be included with your registration form. ETTA fees meanwhile are based on individual player membership and only need to be paid once by players also playing in other divisions. Players can therefore elect to pay these fees to the Lowestoft League (who will pass them onto the ETTA), to another affiliated League, or directly to the ETTA. Please indicate on the registration form whether your players are paying directly to the Lowestoft League.

The registration form is separated into three sections. Section One includes details of the team, home venue, home night and team secretary details. Section Two includes the details of up to five registered players, please note that if some of these details are also included in ETTA forms returned with the registration form then only the players names are required to be entered here. Finally Section Three includes the breakdown of the fees to be paid with the registration form.

Team Registration	Senior Team	Single fee paid by all teams for Lowestoft registration. Junior teams include only junior players
	All Junior Team	

Player Registrations	Senior Players	Paid by each player for Lowestoft registration.
	Junior Players	

Waveney Team Membership	Seniors
	Juniors
	Founder Members

Paid by each player but only for teams wanting to play their home nights in the Waterlane Table Tennis Centre.

Affiliation	Suffolk Affiliation
	ETTA Seniors
	ETTA Juniors

Suffolk affiliation is per team while ETTA affiliation is paid by individual players

Should you be interested I have details of some players wishing to play next season but that currently don't have a team. Similarly if you know any players are unable to form a team but would still like to play next season please let me know and I can put them in contact with teams still short of players.

I'm sure you'll agree last season was a great success and I hope we can continue this in the coming season.

Yours Sincerely
